INTRODUCTION

The ever-changing business environment demands a well-rounded business consultancy practice that can respond to changes in legislative and economic conditions.

aftaas (Afrizan Tarmili Khairul Azhar), have the expertise and commitment to professionalism to proactively provide our clients with practical business solutions. Our well-rounded business consultancy with strict adherence to professional standards is well suited to serve our clients business needs.

We are committed to provide effective, efficient yet practical advice to assist our clients in their financial affairs. We offer a full range of services for all our clients and this is continuously being developed and adapted to meet our clients' needs.

At **aftaas**, our commitment goes beyond the realm of business philosophy. We provide the necessary business assurances and other related financial services which we deliver effectively and efficiently. No matter how big or small our clients are, our team of experts with extensive experience will strive to provide them the best solutions.

We are not only offering practical solutions to our clients' business requirements but we also offer our clients with advice on management of their resources to produce the best possible outcome.

THE FIRM

An established Business Adviser founded on professionalism, high ethical standards and mutual trust

aftaas

an established firm of professional business advisers

Wholly owned and managed by Malaysians, the cardinal principle of our service hinges on professionalism, high ethical standards and attending to client's needs.

Our services go beyond the traditional realms of accounting and auditing practice. Drawing upon the skills and expertise of our multi-disciplinary and specialised staff and partners, we offer a wide and comprehensive range of services.

As the business environment has become increasingly competitive, the business arena demands prompt response to the changes in economic conditions and legislation. We at **aftaas**, are ready and well prepared to assist management in meeting these challenges.

OUR VISION AND MISSION

Our Vision

We strive to be recognised as a leading Malaysian firm providing world class business advisory services to fulfill all our clients' business needs.

Our Mission

We will endeavour to provide a platform for Malaysians to be trained as professional accountants and excel in business advisory services, providing the highest standards of professional competence and effective business solutions with excellent services through research and development.

Our Core Values

Our core values that become pillars upon which **aftaas** was built upon are people development, professionalism and clients' satisfaction.

People development

Training and education are the vital elements in aftaas. Quality of our services is dependant upon our well-trained professionals.

Professionalism

Integrity and objectivity are given priority in delivering our services.

Clients' satisfaction

We take pride in providing quality service to our clients and ensuring our clients' expectations are exceeded.

INTERNATIONAL AFFILIATION

aftaas is a member of  Parker Randall International.

We are a top ranked, international association of independent audit and accounting firms. We are represented in 43 countries by more than 50 member firms with 100 offices and some 2,000 partners and staff. It is ranked 21st largest accounting association in the world, according to International Accounting Bulletin.

Reputation for excellence and integrity is our most precious asset and all our member firms know that they are working to enhance both our client's business and the future of Parker Randall International. Although each firm and its environment is different, all member firms share the same high quality standards. Each firm reflects and responds to the unique demands of its own particular marketplace, bringing to its work a degree of specialised knowledge and expertise that can't be imported.

Parker Randall worldwide offices:

OUR SERVICES

Going beyond our established audit and accounting services

We create value for clients, bringing competitive advantage to their activities. Our tested and proven strength is our diversity.

Our success in supporting our clients who often require a comprehensive range of services that go beyond the traditional auditing and accounting services, originates from our ability to combine our knowledge with our extensive range of skills and industry expertise. Effective, innovative and competitive, yet very practical. This is how our clients, big and small, describe our delivery. For us at **aftaas**, it is doing what we do best, adding value to our clients' interests.

ASSURANCE AND BUSINESS ADVISORY

Independent, objective and of the highest professional standards

Focused beyond routine audits and tax submissions, our services are designed to help clients meet both statutory obligations and business objectives.

In an efficient and effective manner, we deliver high quality assurance on a variety of activities. Our seamless services delivery includes the following:

- Statutory Audit
- Due Diligence Review
- Financial Investigation
- Financial System Compliance Audit
- Profit and Cashflow Forecast Review
- Share Valuation
- Certification of Returns to Statutory Bodies
- Tax Compliance and Advice

Our audit approach is more than a mechanical exercise. It is a vehicle for adding value from the audit process for our clients.

Our focus on clients' internal control results in effective communication with our clients on matters of importance and creates true value with insights on business.

Our expertise in controls differentiates us as a provider of value-added services.

Moving from statutory audit to specialised business assurance services, we strive for effective ways of reporting that best meet our clients' needs and offer practical business solutions.

Regardless of the services we provide, we bring to it independence - a competent view formed with objectivity, integrity, independence of mind and in the best interest of those entitled to rely on the product of our work.

TAX ADVISORY SERVICES

An option for value added solutions to our clients' tax needs

Given the increasingly complex taxation system and frequent changes in fiscal legislation, our tax experts address tax needs of our portfolio of clients. Our team of tax specialists with extensive industry experience is able to provide comprehensive tax advice. Our clients will benefit from our tax planning and advisory services that ensure optimal solutions thereby enhancing returns on shareholders' investments.

Our professional service capabilities include the following:-

TRAINING AND EDUCATION

Dedicated Staff Force

We have a sound policy in recruiting personnel. Currently, we have a combined staff force of more than 100 professional personnel. We believe that continuous development is vital. In this respect, our firm places heavy emphasis on education and continuous training for all staff members of the Firm.

We recognise the needs of our people with aspirations. Realising these needs, we focus our training and education activities to create intellectual reservoirs. We constantly provide training and education to our staff. We encourage and support our staff to obtain professional qualifications. Our encouragement includes providing study leave.

Our Firm is also the approved ACCA's accredited employer and CPA Australia Employer's Club which offer opportunities for accounting graduates to be professional accountants. We currently sponsor our staff for their professional studies in ACCA, CPA Australia and MICPA.

Structured training and education programs have been developed for our staff. Our Firm also conducts in-house training for our staffs. The in-house training is designed to provide not only technical knowledge but also teamwork and client relationship programmes.

We believe that our future growth depends on the quality of our staff and the continuous development of expertise. With the training and education of staff, we embed it in our services to give better services to our client.
